EXECUTIVE SUMMARY

A dynamic and results-driven **Public Communications & Stakeholder Engagement Strategist** with over 3 years of progressive experience in high-stakes media environments, public interest reporting, and strategic digital brand management. Specializing in **Development Communication, Public Affairs, and Government Relations**, I possess a demonstrated ability to translate complex policy initiatives and county programs into compelling, accessible public narratives that foster transparency and citizen participation.

Armed with a **Bachelor's Degree in Journalism and Mass Communication**, my expertise spans broadcast journalism, strategic media relations, and cutting-edge digital PR. I am exceptionally well-prepared to elevate the **County Government of Kakamega's** public image, cultivate robust stakeholder relationships, and drive impactful community engagement through innovative communication strategies and superior content production, directly supporting the county's development agenda.

PROFESSIONAL EXPERIENCE

Digital Communications Strategist & News Writer

Nelly Media Entertainment News | *January 2023 – Present*

- Reputation Management & Brand Advocacy:** Spearheaded the development of high-engagement digital content, meticulously ensuring brand alignment and fostering positive public sentiment across diverse multi-channel platforms.
- Strategic Content Planning & Execution:** Designed and implemented comprehensive content calendars, leveraging real-time trends and audience

insights to achieve a **30% increase in platform reach** and enhanced audience retention.

- **SEO & Digital Visibility Optimization:** Architected and executed SEO best practices for digital content, significantly improving discoverability and driving a **25% growth in organic traffic**.
- **Integrated Multimedia Production:** Directed the production of high-quality short-form video content for X (formerly Twitter) and Instagram, driving **360° audience engagement** and expanding digital footprint.

Broadcast Journalist & Content Producer

Tandao TV | *February 2021 – December 2022*

- **Public Interest & Investigative Reporting:** Led the research, scripting, and production of over 50+ impactful news features, including investigative pieces and human-interest stories that critically examined community issues and policy implications.
- **High-Level Stakeholder Interviews:** Conducted and facilitated interviews with public figures, community leaders, and subject-matter experts, consistently upholding journalistic integrity and editorial excellence.
- **Live Broadcast Coordination & Crisis Reporting:** Delivered accurate, compelling live coverage under stringent newsroom deadlines, demonstrating exceptional composure and clarity in fast-paced, high-pressure environments.
- **Cross-Platform Storytelling & Adaptation:** Masterfully adapted complex broadcast narratives into accessible digital content, maximizing audience reach and engagement across diverse demographics and platforms.

KEY PROJECTS & IMPACT

- **Community Engagement Initiative:** Conceptualized and launched a “Human Interest” series that significantly increased viewer participation by 40% through interactive digital extensions, fostering stronger community ties.
- **Crisis Communication Framework Development:** Collaborated on developing rapid-response social media strategies during critical news events, ensuring factual accuracy, mitigating misinformation, and maintaining public trust.

- **Development Communication Narratives:** Spearheaded the “Kibabii Development Stories” project during university, effectively showcasing the positive impact of local education initiatives and community development programs.
-

TECHNICAL TOOLKIT

- **Multimedia Production & Design:** Adobe Premiere Pro, Adobe Photoshop, Adobe Illustrator, Adobe Audition, Canva Pro, CapCut, OBS Studio (for live streaming and recording).
 - **Digital Governance & Analytics:** WordPress (CMS), Google Analytics, Meta Business Suite, Hootsuite, Google Search Console, SEO Optimization Tools.
 - **Productivity & Collaboration Platforms:** Google Workspace, Microsoft 365, Slack, Trello, Zoom, Notion.
 - **Language Proficiency:** English (Fluent, Professional), Swahili (Fluent, Professional), Local Dialects (Native Proficiency – essential for grassroots communication in Kakamega County).
-

EDUCATION

- **Bachelor of Journalism and Mass Communication**
Kibabii University, Bungoma
Specialization: Public Relations, Media Law & Ethics, Development Communication, Broadcast Journalism.
Key Coursework: Public Policy Communication, Strategic Communication Planning, Digital Media Ethics.
 - **Kenya Certificate of Secondary Education (KCSE)**
Sivilie Secondary School
-

PROFESSIONAL STRENGTHS

- **Governmental Communication Expertise:** Possesses a profound understanding of the Kenyan media landscape, public sector communication protocols, and the unique communication needs of county governments.
 - **Ethical & Transparent Communication:** Committed to upholding the highest standards of Media Law and Ethics, ensuring transparency and integrity in all public information dissemination, particularly concerning sensitive government data.
 - **Adaptive & Strategic Thinker:** Demonstrates exceptional ability to adapt communication strategies across diverse platforms and audiences, from grassroots communities to high-level government officials, ensuring message resonance and impact.
 - **Results-Oriented & Impact-Driven:** Consistently focuses on delivering measurable outcomes in communication campaigns, enhancing public trust, fostering citizen engagement, and supporting the county's strategic objectives.
 - **Stakeholder Relationship Management:** Proven ability to build and maintain strong relationships with media, community leaders, government agencies, and the public, facilitating effective information flow and collaboration.
